MEETINGS

- **General Meetings** are held the **FIRST TUESDAY** of every **even** month.
- Next **General Meeting** 3RD February at 7.30 pm, Amenities Building, Canine Complex Erskine Park. The Club welcomes ALL members and their guests.
- **Committee Meetings** are held alternate months.

News, views & opinions expressed in this newsletter are those of the correspondents and not those necessarily of those of the club, its committee and publicity officer.

President's Report

Welcome to the combined Dec/Jan issue of Bordertales. Our December meeting included a supper and presentaion by Helen Anderson which was well received and very informative - it was also good to see a couple of new faces at this meeting - thank you to those who took time out of their busy pre-Christmas schedules to come along.

I hope that everyone enjoyed the Christmas/New Year holiday season - a good time to spend some time with family - human and canine!

This issue of Bordertales includes information relating to the nomination/selection of judges for our shows and trials in 2010 - please take the time to read and respond - the club puts a lot of time, effort and money into hosting these events and it is great when we are rewarded with strong entries across all disciplines - so please take this opportunity to have your opinions heard.

Members will have read in previous minutes that discussions were in progress regarding proposed changes to our October show - please note that the venue and date for the 2009 show year are unaltered - the initial impetus for change was not date related - the club is happy with the October date particularly with the AWD show being held on the same weekend - it was the venue which we were seeking to change as a number of members had expressed a desire to host both our shows/trials at Erksine Park. As most of you know, we have permanent storage facilities at Erksine Park for the club trailer and all equipment and the location and layout of their grounds is more conducive to our combined show and trial activities. However, as experienced in the past when we have looked at this proposal - the problem we have is obtaining 'free' dates at Erksine Park which are suitable to the club and this is how consideration of a proposed date change became part of the discussion. We have had a few suggestions put forward from members regarding dates and indeed location options other than just the Erskine Park/Castle Hill and we would certainly welcome further input from members on this issue. The club is not looking to make changes for the sake of change but if fresh, new ideas would result in increased support and interest from members then we will certainly want to give them consideration.

Our hard working Trophy Officer was sidelined with a health scare in recent weeks but I am delighted to report that Colleen is recovering well and will hopefully be back to 110% in the very near future.

The coming months will be busy for those competing in shows and trials including the first of the 'majors' for 2009 - Canberra Royal which will be immediately followed by the 2nd National Show/Trial hosted by Southern Districts Country Border Collie Club - good luck to all!

Until next time,

Cheers

Lauren Somers
President

2008 was an extremely successful year for Teek. During the year just gone, she achieved 2 Runner Up in Show awards and 2 other Best in Group awards. She was also Runner Up Best of Breed at Adelaide Royal. Quite an outstanding year for a Border Collie bitch who quite often fail to get the same recognition as the boys. We are very proud of Teek and hope that she has a year as successful in 2009.

SYDNEY PET EXPO - REPORT

Our club attended the 2008 Sydney Pet Expo in November being represented by a few club members. As always our breed was very popular with the public & we were kept very busy. The public really enjoyed being able to interact with the dogs & be entertained by the many tricks they offered.

Many thanks to Ann, Julia, Ann, Dale & Heather who took the time & effort to talk about our beautiful versatile breed with the public.

But without a doubt the biggest thankyou should go to the stars of the stand; Bailey, Jimmy, Indie, Quiz, Wiki, Willow, Jordie, Flame, Flynn & Oddie who represented the club with impeccable manners all 3 days without losing enthusiasm.

General Interest ..

To whom it may concern,

I am writing to you as I am an owner of a Dairy Goat Stud. With loads of interest from fellow breeders and research it has been well known for a long time that Goats Milk is the best substitute for raising puppies!

It doesn't cause half the issues with lactose intolerant and flem in cow's milk and diarrhea in milk formula. Should you, your organization or members be interested in Goats Milk you are more than welcome to contact me to enquire about price structures. Available to you, your organization or members are delivery options and the benefit of having my dairy stud located centrally! Excellent quality and customer service is my main focus combined with the passion for dogs!

We have best of both worlds and have the quantity of Saneen Goats combined with the rich butter fat of our Anglo Nubians Goats.

Please don't hesitate to contact me for any further information!

Regards,

Carmen Le Roux
