MEETINGS

- **General Meetings** are held the **FIRST TUESDAY** of every **even** month.
- Next **General Meeting** Tuesday 2nd June at 7.30 pm, Amenities Building, Canine Complex Erskine Park. The Club welcomes ALL members and their guests.
- **Committee Meetings** are held alternate months.

News, views & opinions expressed in this newsletter are those of the correspondents and not those necessarily of those of the club, it's committee and publicity officer.

President's Report

Welcome to the latest issue of Bordertales. The major events for April

- Sydney Royal and the specialty show/trial have been run and won - congrats to all the successful exhibitors and special thanks to all our committee members (and others) who worked hard on the day and beforehand to ensure the events ran smoothly. Despite our best efforts the specialty show/trial got off to a bit of a shakey start with a number of 'missing items' which ranged from microphones and agility equipment to property judges!! However, good humour prevailed and these hurdles were overcome! Our thanks to Julie Fynemore (Beljekali Belgian Shepherds) for judging our Property classes at (very!) short notice; to Deerbush Obedience Club for the short term equipment loan...and my 'five acre voice' which was put to good use as the microphone substitute!

The club is still trying to finalise date and/or venue changes for future shows but keep running into problems with one or other of the THREE Dogs NSW committees which have to be consulted and agree to any requested changes. Our thanks and sympathies to our long suffering secretary, Ann Moy, for enduring the never ending email exchanges involved in this process! We will keep members informed once some real progress is made.

Upcoming events for the club include our herding trial in late May and our tracking trial in June - if you require further information on either of these events or any club related matter, check the website or contact your committee.

Until next time,

Cheers

Lauren Somers

BCC OF NSW CHAMPIONSHIP SHOW

SATURDAY 18TH APRIL 2009

Breed Judge: Mrs B Warman (NZ)

Thank you to the Border Collie Club of New South Wales for the invitation to judge the 57th Championship Show, it was an honour to accept, and wonderful to witness the beautiful Borders working in so many facets of their expertise, congratulations, and thank you again. Thank you also for the hospitality extended to Barbara Killworth, this was all much appreciated.

In my opinion on the basis of the dogs that I have seen today your breed is in good hands and the dedication of breeders to continue to produce top Border Collies is evident.

On the whole I found the dogs of top and even quality, all shown in beautiful presentation and excellent condition, although just a couple were a little "over conditioned" ☺, feet, tail sets, top lines, balance, on the whole, of excellent quality, I only saw a couple of incidences of round eyes and or, lighter eyes than is preferred in the breed, ears on some tending a little heavy and too wide set. Some exhibits I felt tended to be a bit on the "light" side by this I mean, beautifully balanced, move soundly, of excellent breed type but just lacked substance in bone and depth.

DOGS

Baby Puppy

1st NEECABE HERES LOOKN ATU an extremely promising youngster, excelling in head and expression for one so young, well boned and of correct proportions, moved exceptionally well with purpose for such a young "star".....**Baby puppy in Show**

2nd CLASSICYDS FACTOR ZERO another well proportioned baby who moved well and soundly, I would prefer more width in his skull and a slightly shorter muzzle

Minor Puppy

1st BORDALACE DAY DREAM BELIEVER beautifully proportioned and matured youngster, excelling in forequarter construction and depth, beautiful head and expression, good ears and carriage, excellent bone carried right through to correct feet, moved soundly and enthusiastically.....**Minor Puppy in Show**

2nd BENSHIVA WICKED ISAS WICKED DOES well proportioned puppy, again with good bone, not carrying the maturity of 1st, in particular in body) but of course is a month younger, moves a little close behind, well proportioned head, I would prefer a better shape eye as tended to be a little round.

3rd ETHERIAL DEALER TAKES ALL another well boned and well proportioned puppy, who moved well, ears a little wide set and could do with a slightly darker eye, early days for this fellow as he has only just moved into this class.

Puppy

1st NAHROF NO MORE MR ICE GUY 10mth old, well balanced puppy, as with many young males he needs to develop through his forequarters which in his case needs to catch up with his well angulated and muscled hindquarters, excellent head and expression, overall another promising youngster.....**Puppy in Show**

2nd DREAMWOOD GALLAGHER well boned and proportioned, with lovely flow of neck into shoulders, pleasing head and expression, would like to see him move with more purpose in his gait, but again these fellows are youngsters and maturity will prevail

3rd CALANAIS WHAT HAPPENS IN VEGAS again well balanced with good bone, moved well, his eyes are a little small and ears a little big spoiling his overall expression. I would prefer a slightly tighter bite

4th EBONJUL KELLYVIX BAZZ well balanced puppy, lacked the classic expression of the higher placings.

Junior

1st KELLAGEM DAZZLE ME moved with freedom and reach, well proportioned, well made and matured through forequarters, well ribbed with strong loin, pleasing head and expression, could be just improved by a slightly lighter ear

2nd KELLAGEM DIAMOND DAZZLER well proportioned, with good head and eye, ears slightly low set, shortness in upper arm restricting desired reach in front

3rd CLASSICYDS COOLABAHTREE carrying good bone and substance, slightly round in eye, however head of correct proportions, lacks the angulation to facilitate correct reach and drive.

Intermediate

1st CH DANARI DESTINED TO THRILL beautifully proportioned and type of Border, excellent bone and feet, fore and aft, correctly angulated front and rear enabling sound and correct gait, well bodied (maybe just a little too well bodied ☺) nicely proportioned through well sprung ribs and strong loin, a lovely dog to handle.

2nd CH BORDALACE FLASH N DASH this class was exceptionally close, lovely headed dog, another correctly angulated well moving boy with purpose, excellent neck into shoulders, needs to body up through the quarters.

3rd CH NAHROF TANGLED WEB a slightly smaller dog with excellent head and expression, overall well balanced, another who needs to body up through the quarters, moves well in profile, a little loose in front, as with 1st & 2nd lovely Border type

Australian Bred

1st CH BORDALACE SARGENT PEPPER another quality class; just a couple of months off 9 years young and doing his years very proudly. Excellent moving dog from all angles, could still do his intended job all day, excellent neck into shoulders, well balanced, well bodied, excellent bone, strong head of excellent proportion, balance and expression, a slightly darker eye would complete the picture, it was my pleasure to award him **Reserve Dog CC**

2nd CH DANARI DANCETH WAVES another male of excellent Border type, well proportioned, correctly angulated fore and aft to facilitate correct free movement, pleasing head and expression, would prefer a better ear set on this boy.

3rd NAHROF TURN THE PAGE lovely shape, well balanced again of excellent Border type, correct head and expression, lacked the maturity of 1st & 2nd.

Open

1st GR CH TULLACREST LICK SIP N SUCK another wonderful class of exciting top quality dogs who were a joy to handle, the winner excelled in balance, substance, type with sound flowing gait, excellent head and expression, good bone right through to correct feet, smooth flow of neck into shoulders, excellent topline on the move and the stack, he would work with integrity and endurance all day. It was my pleasure to award him **DCC & Best Exhibit in Show**.

2nd GR CH NAHROF MORE THAN WORDS again a dog of excellent breed type, balance, head and expression, moving true from all angles, excellent topline and tail set, would just like to see him carrying a little more condition.

3rd CH MONOCHROME MAESTRO another dog of excelling in type and all things Border Collie, moved freely with purpose, shown in excellent coat.

BITCHES

Baby Puppy

1st DANARI DANCETH BLUES AWAY excellent head and expression, beautiful, correct eye, correct bone through to feet, beautifully proportioned, moved out truly and purposely for her 3 months, it was a tough decision when it came to Baby Puppy in Show both babies were so typical, free moving and excellent Border type, the respective owners should be well pleased with these “kiddets”

2nd ANCRUM JUST DO IT again well balanced youngster, alert expression with good bone and moved well

3rd CLASSICYDS CHANTOOZIE another well made baby, also moved out well, well bodied, good head and expression.

Minor Puppy

1st QUINORA WORDS OF POWER nicely headed with kindly expression, moved well and soundly, well made through the chest and forequarters, well ribbed back and well bodied.

2nd DRAGONSMIR VELVET ROSE well balanced and moved well, nicely headed, would prefer just a little more of her all over

3rd BORDALACE IN YOUR DREAMS well made with well balanced body, moved behind with good drive, however would prefer a little more length to her upper arm to enable the desired forward reach

Puppy

1st GREMARIC CHIT CHAT sound moving youngster of good proportions, and type, well made head with good eye and overall expression, ears settling; well made body, excellent bone

2nd NAHROF GET THE PARTY STARTED excellent body and balance, correct head and eye, expression just spoilt by her “young” ears, was just out moved by 1st place.

3rd NEECABE WRITN N THE STARS another lovely bitch, as with 1 and 2 she is well made and of good proportions, correct head and expression

Junior

1st ARALUEN CANDLE IN THE WIND well proportioned young bitch with excellent bone through to feet, excellent neck flowing into well placed shoulders, well ribbed through with strong topline, beautiful moving bitch in particular in profile. Correct head and expression. **Junior in Show**

2nd DANARI DANGER MONEY once again a quality young bitch, carrying the qualities of 1st, would prefer her slightly less rounded in skull, however a lovely bitch.

3rd CLASSICYDS COOL TO BE ME very similar in all aspects to 1 and 2, nicely headed and moved well, would prefer to see her carry more bone to complete the overall balance and strength .

Intermediate

1st CH NEECABE MURRONS LOVE a quality, even class of bitches, This bitch was of lovely Border type, excellent head and expression, well ribbed and well made body, strong topline, moved well, with purpose all round. **Intermediate in show**

2nd CH TEYHA DESTINY ALL OVER excellent head and expression, also carrying the qualities of 1st, with excellent neck into shoulders, would like to see a stronger hindquarter to improve her overall driving power

3rd CH NAHROF WORD GAMES another carrying quality breed attributes, moved freely, excellent head and expression, well balanced, well ribbed back

Australian Bred

1st CH NAHROF RHYME N REASON another quality class, this bitch was beautifully balanced of correct proportions, she is not a big girl but fulfills the standard, excellent head and expression, correct length of neck flowing smoothly into well set shoulders, strong, straight bone carried through to her feet, well bodied, with strong topline, moved soundly with purpose, typical Border Collie type, shown in excellent condition. I was delighted to learn later that this was the same bitch I loved as a Baby Puppy awarding her BPIS at the NSWSDBC, it was my pleasure to award her today **BCC, Runner Up to Best In Show, Aust Bred in Show**

2nd CH SYRYNE VEGA O LYRAE another lovely moving bitch, well proportioned with pleasing head and expression, another class that was close in the final decision

3rd QUINORA MAGIC MOMENTS I commented earlier that the quality today was high and consistent, this class was no exception, this bitch also moved soundly and was well balanced with lovely head and expression,

Open

1st GR CH TULLACREST MOULEN ROUGE I am beginning to sound repetitive but again a lovely class of quality bitches, this bitch was of excellent type, shown in excellent condition, lovely head through muzzle and skull, with excellent expression, would prefer a slightly lighter ear, however this did not detract from her overall balance and expression, excellent mover all round, it was a pleasure to award her **RES BCC**

2nd CH DANARI DATEWITH DESTINY carrying the breed qualities of the class winner, excelling in type, head and expression, would like a slightly larger eye, also shown in excellent condition, was just out moved by the winner on the last lap

3rd CH NAHROF COLLECTORS ITEM another quality bitch, beautifully balanced enabling ease and freedom of movement, excellent head and expression
