## President's Report

Welcome to the latest edition of Bordertales - produced by our new "Editor in Chief" - Patrice Smith! Welcome Patrice and thank you for stepping up to support the club in this role, your contribution will certainly be appreciated.

Thanks also to the outgoing Editor - Tiffany Wheatley - who has done a great job and we are very sorry that she will not be part of the committee for the coming year. Her previous efforts on behalf of the club were greatly appreciated - thank you! Thanks also to Andrew Baxter (and many other family members!) for your assistance with the performance/agility rings and also to Julia Lawrie and Ann Lenehan for taking on this role for the coming year.

In addition to Patrice, we welcome Courtney Smith to the committee and hope that they both enjoy their roles with the club. Apart from a few minor position changes, the balance of the committee for the 2009-2010 year remains unchanged and I offer my sincere thanks to those standing members for their ongoing commitment and contribution to the success of our club....I look forward to working with you all in the year ahead.

The next big event on the club calendar is the show/trial on October 10th - thanks to all the members and exhibitors who have supported the event - I am sure it will be another successful and enjoyable day.

Until next month.....

Cheers  
Lauren Somers  
President

### DANARI DARK DIAMOND ADX ADO ADM JDM2 JDO2 GDX SD

Sire: Gr Ch. Monochrome Currency Creek  
 Dam: Ch. Minimbah Lunar Rose

Our first Border Collie to compete in agility started training at the age of 18 months. Showing great signs, he was soon into full-time agility working his way through novice and excellent to masters level. Ben has qualified at the Sydney Royal for 4 years running and now has gained his Open Jumping 2 Title. Not only a great family pet, but a great nature, the complete package.

Many thanks go to Phil and Tiffany Wheatley, Danari Border Collies for breeding such a great dog.

**Ben is proudly owned by Ross and Colleen Vine**

Congratulations to Korella BCs with Ch. Korella Krystal Kazandra completing her title at Grenfell show. Shelley is sired by NZ/Aust Ch NZ Kiwi Murphy of Clan-Abby and she is the second of the litter to title for Korella Krystal Eclipse.

## Message from the Editor

This is my first issue of Bordertales after taking over from Tiffany Wheatley, and it is never easy following someone in a role that has done the job so well.

I feel honoured to have been elected to the role and I hope that you get to a point of looking forward to receiving your newsletters.

Some people within the NSW Border Collie scene might not know who I am, as I am currently not showing a Border, and indeed, currently more known for having a Puli on the end of the lead. Please feel free either to let me know any BC information at shows or otherwise, you can email me at [tullaview@optusnet.com.au](mailto:tullaview@optusnet.com.au).

Please let me know when your Border Collie gains a title or has a big win, as I will love to let the rest of the Club know.

I am looking forward to putting a lot of names to the faces and vice versa.

Patrice Smith

**President's Report**

First and foremost, I wish to offer my thanks to the members of our committee and various sub-committees for the time and effort they have donated to the club during the past twelve months. We all lead busy lives and the club appreciates the commitment of these members by donating some of their valuable free time to the club and to our breed.

I am delighted that some new members have stepped up to offer assistance in the coming year in the administration of our club and help reduce the workload of this dedicated group of people and I hope that others will do so in the future. I also appreciate the ongoing commitment of the current committee, most of whom have agreed to again stand for positions within the club – this cohesive group of workers make life for the Executive very easy and we thank you very much for your support.

The 2008-09 year has again seen our club involved in many areas – some of the activities undertaken during the year include:

- Provision of financial support to ensure the Border Collie Rescue service remains active.
- Donation of funds to the Battens Disease Foundation to assist in ongoing research into this disease in children.
- Recognition in Dogs NSW Journal for our book donations to local schools and provision of breed information articles and pictures for their breed feature.
- DNA collection clinic to assist members in having DNA samples submitted for testing.
- Participation in National Breed Council activities and other ANKC meetings during the year.
- Provision of herding training and hosting herding trials – sheep and ducks.
- Hosting two club shows/trials providing members with the opportunity to compete in conformation, obedience, agility and jumping competitions.
- Conducting a Tracking Trial.
- Maintenance of a website which provides Border Collie related information to club members and the general public
- Assisting members with Puppy Sales.
- Production of a regular newsletter to keep members informed on all club and breed related matters.

I have again enjoyed my term as club President and if re-elected for the 2009-2010 year will endeavour to ensure that the club remains active in a variety of areas and continues to serve the needs of its members and promote responsible breeding, training and ownership of our wonderful breed.

Thankyou

**Lauren Somers**

President

**Secretary's Report 2009**

The NSWBCC Inc in the 2008/2009 year had a total membership of 166 members. Our renewals as of 1/9/09 are 113. In 2007/2008 we had a total of 199 members.

To the outgoing committee I would like to thank you all, as I did last year for all your support and friendship over this past year. You have all done a great job for the club and have worked as a great team over this past year. Our meetings are a pleasure to attend with a group of people who all support each other and work as a harmonious group. There are no petty squabbles, no power plays and there is rarely a note of distention other than the grab for the last piece of supper that our Trophy Officer, Colleen has generously supplied for our meetings. This is very rare in this day and age, and we are very lucky to have such a great team of people who support our club.

Contributions to the dog world from the NSW Border Collie Club over the 2008/2009 year consist of:

- \* Pet Expo breed stalls: providing education on Border Collies to the public
- \* Royal Easter Show breed stall: providing education on Border Collies to the public & promoting the breed
- \* Internet Information Site: providing world wide information and education to the public on Border Collies
- \* BC Rescue Service: financial support from the club towards this organization
- \* Public Education: through Shows and Trials and herding training (A huge thank you to Mr C Webster for donating, housing and feeding of Ducks so that we can run Duck Herding competitions. (Currently Dogs NSW will not allow Duck trials or training on their grounds, the Border Collie Club of NSW has supported this sport for ANKC herding over the last year)
- \* Battens Disease Foundation: Donation and support to assist in ongoing research into this disease in children

These days and services do not run on their own, so to all those members, thank you for all the organizing, the time you have put in, the monetary support and the help you have given to support the club.

We have no nominations for any positions at the time of me writing my report, however I would be surprised not to see the return of a similar lot of faces to our last years committee, with the addition of some new and welcome additions. I am sure that our Club will be in excellent hands once again and I myself will re-stand unless there is another person here who would like to put their hand up for the job. Should I be re-elected I will look forward to working once again with the new committee for the 2008/2009 year.

Regards, Ann Moy, Secretary, NSWBCC Inc, 2008/2009

**Treasurer's Annual Report**

During the 2008/09 year the club posted a loss of \$1,671, which is down from the profit of \$1299 in then previous year. While this in itself is not a good thing consideration should be made of the donations that the club made during the financial year. These included:

- Border Collie Rescure — \$1,000
- SDBCC National — \$500
- Battens Disease Foundation — \$250
- Schools Book Donation — \$310

The year saw a slight decline in the membership income but we were able to significantly reduce the costs of producing the Bordertales magazine by more members receiving the Bordertales via email rather than the traditional paper mail.

The reduction in the interest rates over the year also reduced the amount of income received by way of interest during the year.

The costs of judges during the year also increased due to the fact that we brought in an international judge for one show and the costs of other airfares and travel were higher than the previous 12 months. While this did not result in an increase in the number of entries received for the shows, we were still able to run the shows at an almost break even point for all shows and trials.

The club continues to be in a strong financial position for the ongoing years. I thank all members for their continued support of the club by way of work on committees and at shows and also by those members who make donations during the year to allow the club to continue to put on professional shows and trials during the year.

I wish all incoming committee members success in the following year and thank the current committee for the professional working environment that they have fostered during the previous 12 months.

Brett Farrell, Treasurer

**Show Secretary's Report 2008/2009**

I have been privileged to hold the position of Show Secretary of the Border Collie Club of NSW over the past 12 month period. Thank you to all members of the committee for their continuing support and advice.

Our October 2008 show, held in beautiful sunshine at Castle Hill, attracted a Property entry of 45 and Breed entry of 90. Our breed judge was Mr Kym Crysell (N.Z.), and our Property Judge, Mrs Leanne Birch. Mr Crysell was greatly impressed by the standard of entry and kindly donated his fee back to the club for which we were immensely grateful. Numbers were slightly down on the previous year's October show but nevertheless a great time was had by all who attended.

Our 57<sup>th</sup> championship Show was held at Erskine Park on the 18<sup>th</sup> April 2009 with Ms Beth Warman (N.Z.) judging Breed and Ms Lorraine Warren-Powell as Property judge. Due to an unforeseen circumstance, Ms Warren-Powell could not attend the show and fortunately Mrs Julie Fynmore stepped in at the last minute to judge our Property classes. Once again numbers were down on the previous year's Autumn show, with 31 property classes and 111 breed classes entered. All breed clubs are feeling the pinch with numbers down at shows across the state. We are fortunate that our club is well managed and that our committee works hard to ensure our shows are run smoothly and on time.

Huge thanks must go to our hard working and creative Trophy Manager, Ms Colleen Finch who once again provided a stunning display of prizes and ribbons for both shows.

We were fortunate to secure the sponsorship of Natures Gift for both shows in 2009 — thanks go to Ms Evelyn Roberts of Natures Gift for her generosity. I am pleased to announce that they will continue their sponsorship through 2010. I am also pleased to announce a new sponsor — Champet Industries — who will be providing grooming products as prizes at our October 2009 show. They will be hosting a product stall at our upcoming show and I am sure all members will be pleased to try these wonderful all Australian products.

2010 will see our 60<sup>th</sup> Anniversary show to be held in October at Erskine Park grounds, instead of Castle Hill — something to really look forward to. Some big surprises will be announced in regard to this show, later in the year. It promises to be one of our biggest in many years.

In conclusion, I would like to say a huge thanks to Lauren, Ann, Brett, Colleen, Alice, Rosemary, Judy, Ann, Julia, Bette and Julie — a hardworking committee that I am pleased to be part of. Also to those members that offer their support, such as Melissa Farrell, expert photographer and cheer leader, Errol Badior, Gail and Paul Revell, who are always there to set up the grounds, all the Baxters — too many to mention or, at my age, remember, who set up our agility courses at our shows — thank you. I would personally like to thank Brett — our "devoted" treasurer, who seems to know everything about everything, to do with Border Collies and this Club and whom, I am sure, gets more than a little exasperated, quite rightly, at the number of questions I throw his way, but always has the answer thank god! Thanks Brett for your patience — you deserve a medal.

I would be pleased to continue in my capacity as Show Secretary for the forthcoming year, but if not successful will provide assistance to the committee whenever required. Thank you all once again for the camaraderie and fun I enjoy on this committee. You are a great bunch of folk.

**57th Championship Show at Castle Hill, October 2009**

**CALLING ALL MEMBERS ....**

Once again the months are rolling by quickly and soon our 57th Specialty show will be held at Castle Hill Showgrounds on Saturday 10th October 2009.

We are inviting all members to sponsor a class either in conformation, property or agility at our upcoming show. As you would all be aware, our club offers wonderful prizes, ribbons and sashes, and great raffle prizes at all our specialty shows. These shows are run and operated by a small band of dedicated, hardworking people who have the best interests of its members and breed at heart. Once again Natures Gift have provided superb sponsorship for our show, so you can look forward to competing for some wonderful product and prizes. These shows do not run themselves and require an enormous amount of time and dedication by your committee.

On behalf of the committee, I would like you all to consider a small contribution to the show by offering your support via sponsorship of a class or event. Sponsorship ranges from \$50 for Best In Show and Winner of Winners, to \$20 for class in show or \$15 for opposite class in show in conformation and \$20 for performance classes.

Please contact your Show Secretary, Lynne Cook on 0416 382 138 or [Lcook52@hotmail.com](mailto:Lcook52@hotmail.com). You will be recognised in our catalogue and announced at our show on the day.

Your help and/or interest in your club and your ongoing support will ensure that your Specialty show will be an enjoyable and most worthwhile experience.

Thank you, for and on behalf of your committee

Lynne Cook  
Show Secretary
