## President's Report

Welcome to the April edition of *Bordertales* - another busy month for members and their BCs! Sydney Royal this year proved a very successful event for Borders. They attracted the highest entry at breed level and enjoyed success in the special sweepstakes events, at group level and in the performance rings. Well done and congratulations to all members involved!

A very special thank you to Kelly Gill and Ann Gemmell and the club members who supported them on the Royal breed stall days - your ongoing efforts to promote our club and breed with your very talented borders is greatly appreciated! Thanks also to Brett Farrell who offered stewarding assistance in the performance rings - none of these members live locally in Sydney - all had to travel long distances on several consecutive days to offer their assistance and expertise - a great effort - thank you!

The next club events will be our herding trials in May - if you are interested in becoming involved in this sport you might enjoy attending these trial events and taking advantage of the chance to see our club members and their dogs at work. There are ongoing developments regarding the return of sheep to the Erskine Park grounds so hopefully it will not be too long before herding training and trials will be back on the grounds - we will keep members posted with any updates via *Bordertales*.

In June, Dogs NSW will be conducting a Dog Spectacular Day at Erskine Park promoting all canine activities to the general public. The club will be hosting a stall at this event and welcome any assistance or input from members interested in participating. Please contact Ann if you would like to be involved.

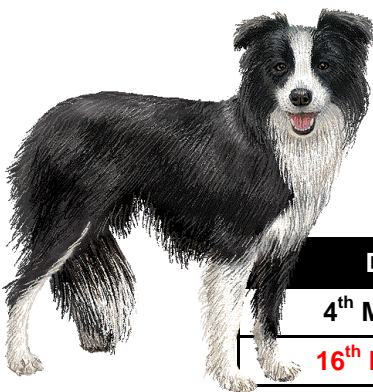

A number of members and BC folk have been on the sick list lately - on behalf of the club we extend you all our best wishes for speedy recoveries to full health.

Until next month.....

Cheers

**Lauren Somers**

## **THERE'S NO BUSINESS LIKE SHOW BUSINESS... !**

### **The 2010 Sydney Royal Easter Show.**

**An article by Courtney Smith.**

After ten jam-packed days of breed competition, General Specials at the 2010 Sydney Royal Easter Show was conducted on a beautiful sunny day on Sunday the 11<sup>th</sup> April. It is, in my opinion, one of the most thrilling experiences of the dog show world – nothing quite compares to the feeling of nervousness, suspense and excitement that one feels when watching the Group judging, or when an entire arena waits with baited breath to hear the announcement of the Best In Show Winner. And this year's show did not disappoint, with the judges, stewards and committee putting on another fabulous spectacle! And indeed at this year's Royal it was the Border Collie's time to shine...

Congratulations to all the winners – a ribbon at a Royal is no small feat! Whilst only the major winners of the Show will be covered in this short article, full class results will be published in the Show Results of this newsletter, and I encourage you all to take a look.

Before we get into the winners and gridders of General Specials day, however, let us go back in time a few days to "Border Collie" day at the Royal...

Breed judging was conducted on Wednesday 7<sup>th</sup> April, and presiding over our ring was Mrs N Karlsdotter from Sweden. Mrs Karlsdotter enjoyed a fabulous entry of 115 Border Collies, and took a little over three hours to complete judging of our breed, beginning with the Puppy Dog class at a spritely 9:30am. It was great to see Mrs Karlsdotter taking her time with the classes and eventual placings, and really giving the dogs a chance to move - as many of the class winners will probably tell you, you had to work hard for a ribbon in this ring!

After over an hour of judging, finally we were ready to judge Challenge Dog. Mrs Karlsdotter had a beautiful line-up of five handsome gentlemen to choose from, but alas there can only be one Challenge and one Reserve... congratulations to Lauren Somers & Errol Badior's **GR CH NAHROF MORE THAN WORDS H.I.T.** who took home **Dog Challenge** from the Open Class. Keeping it in the family, **Reserve Dog Challenge** was awarded to the second place in the Open Class, Lauren Somers, Errol Badior & Sharon Hannigan's **GR CH NAHROF ENOUGH SAID E.T.**

*L-R: Best of Breed, Runner Up Best of Breed & Puppy Of Breed winners.*

Then it was time for the 'ladies' to take to the ring, and they certainly did not disappoint being strong in numbers and in quality just as the boys before them. The eventual **Bitch Challenge** winner was Lauren Somers, Errol Badior & Deb Richardson's **GR CH NAHROF RHYME N REASON**, out of the Open Class. **Reserve Bitch Challenge** was, like the dogs, the second placegetter from the Open Class, with the ribbon being awarded to Teresa Bailey's **CH TEHYA DESTINY ALL OVER**.

*Baby Puppy Sweepstakes winner.*

The excitement began to rise – who will be this year's Best of Breed? Mrs Karlsdotter took her time assessing her CC winners, and eventually **Best of Breed** was won by the dog, **GR CH NAHROF MORE THAN WORDS H.I.T.** who would go on to represent the breed in the Group line-up, and the **Runner Up to Best of Breed** awarded to his half brother, the Reserve Dog Winner, **GR CH NAHROF ENOUGH SAID E.T.!!** Then in came the puppy class winners, **DALHEATH MIDNIGHT SUN** owned by Margaret Rockey and S Morrison, representing the Dog Class, and **BORDERLAKE SOMETHN WICKED**, owned by Sharon Hannigan, as the Bitch Class winner. The **Puppy of Breed** was awarded to the dog, **DALHEATH MIDNIGHT SUN**, and he too would also return on General Specials day to compete for Puppy In Group. The breed also had two entrants in the **Breeders Group** competition this year, and the eventual winner was the **NAHROF** team. Congratulations to all the winners on the day!

However, the wins for the Border Collies did not stop here – oh no, there was the inaugural Baby Puppy, Puppy and Junior Sweepstakes to be judged on Saturday 10<sup>th</sup> April! Our judge for the day was Mrs J

Horton from Victoria. The sweepstakes were conducted as a knock-out competition, with Mrs Horton placing the group entrants first, second and third place, and with the group winners coming back to compete for overall first to fifth placings in their age class. The Baby Puppies were the first to be judged, and had a wonderful entry of 71 across the seven groups! Congratulations to Margaret Rockey & Alison Cowin's **DALHEATH A FLASH IN TIME**, who not only won First Place in the Working Dog Group, but also went on to win overall **Best In Baby Puppy Sweepstakes!!** Susan Morris' **LANGTRY EMILIE SKYE** was also awarded Third Place in the Working Dog Group competition. In the Puppy Sweepstakes, Second Place in the Working Dog Group was awarded to Patrice & Courtney Smith's **TULLAVIEW TAKE YOUR MARK**. And last, but certainly not least, was the Junior Sweepstakes class, and congratulations to Courtney Butler's **NAHROF TURN TO THE DARK SIDE**, who was awarded overall **Fifth Place** in the Junior Competition! Well done to everyone on the fabulous results for the day!

*5<sup>th</sup> in Puppy Sweepstakes winner.*

*Best In Working Dog Group – the Border Collie! Thanks to Penny Brookes for the photograph.*

And now for General Specials day...

Working Dogs had a long time to wait, being the last group to be judged on the day, but this did not dampen the enthusiasm when they did finally enter the ring. The group itself was beautifully represented, and had many strong contenders for the top prizes; and an equally supportive crowd to match! Tensions rose as Mrs Karlsdotter made her shortlist – the ACD, the Aussie Shepherd, the Border, the Bouvier, the GSD, the OES, the Puli, and the Sheltie. And now for the results – and what an exciting moment it was when **BEST IN GROUP** at the 2010 Sydney Royal Easter Show was awarded to the Border Collie, **GR CH NAHROF MORE THAN WORDS H.I.T.!!** The smiles for the Border Collie crowd did not stop there, however, as soon after the Border Collie Breeders Group was also awarded **Best Breeders Group in the Working Dog Group!**

**Congratulations to all the winners and grinners for a Royal to remember...**

**NOTE:** At the time of publication I had not had conformation of the Royal results for the performance disciplines, but I hear Border Collies also did well! If you would like to contribute an article on the Agility and Obedience results, please send your write-up to the editor and we'd love to publish it in next month's *Bordertales*!

**Show and Trial Secretary's Report:**

**Show Manager's Report: No manager**

Report for March Specialty Show has been recorded and printed in March edition of Bordertales.

After many attempts to contact him, Frank Lister, who was originally contracted for our March Specialty show has contacted me to advise that due to ongoing health issues he will be unable to attend as judge for the October 2010 60<sup>th</sup> Anniversary show. So I have contacted the next judge on the list, Ms Helen Fitzgerald, from WA and she is available and has show interest in judging conformation at the October Show. It has also come to my attention, through e-mails and conversations, that people are concerned that we will not attract numbers under this judge. I therefore would ask the committee to discuss this situation as a matter of urgency and advise me their course of action. I have also spent many hours and phone calls to various clubs who hold shows around the time of ours to see if they have contracted any overseas judges for their show that we could possibly approach and have come up empty handed. Unfortunately there are not that many "big" shows around that date in October and so I have hit a brick wall in that regard. As the schedule has to be in at Dogs NSW by no later than 9<sup>th</sup> May, we have to make a decision on the conformation judge now. Another consideration in regards to Helen Fitzgerald is that she was already flying to the US via Sydney at that time on her way to the US National and we may save money on airfares.

With regard to the other disciplines for the October show, the following judges have been approached and have accepted the judging position and contracts will be mailed out this week:

Leonie Darling – Property Classes

Bill Almond – Agility

Judith Walder – CD, CCD, UD, UDX,

Heather Martin – Obedience Open (and overflow from other if needed)

Also, Natures Gift has, as of 12<sup>th</sup> April lost their distributor in NSW (after 7 years and some bad blood apparently) and so will now NOT be sponsoring our show in October and will not be sponsoring any further shows until further notice until their distribution problems have been sorted out. I have therefore started approaches to Mars Australia and other companies (dog food that is) for sponsorship and will keep the committee informed of progress in this regard.

I have also fielded some interest from people who may offer prizes to raffle for this show and once again once things have been confirmed, I will advise the committee – but things are looking good on this front (at least!).

Congratulations to all the winners at the Royal Easter Show this year where Borders featured prominently.

**Obedience managers report:** Nil

**Agility manager's report:** Nil

**Obedience and Agility Trial Secretary:** Nil.

**Herdling:** Working bees were very successful, and all looks good, but not much point without sheep. Trial for 16 May cancelled due to no sheep. Judge will be available for our August Trial, provided there are sheep at Dogs NSW grounds. Asked this judge as airfares have been paid. Will ask the August judge to do next trial. Very embarrassing situation, and disappointed at the way we have been treated by Dogs NSW. Duck trial for 29 May is still on. Fortunately, ducks are not reliant on Dogs NSW actions.

**Trophy Steward:** Nothing to report. Royal trophies were well received and greatly appreciated by all who viewed them.

**Show Business:** Re our 2011 show clashing with All Breeds show due to late Easter, we will agree to either the 15<sup>th</sup> Saturday or Sunday, and request that this become a permanent booking, as we have had to change our show date every year for the last few years.

**Tracking:** Nil

**National Breed Council Reps:**

Meeting nominated Tull Luttrell as Secretary of NBCC.

No Agenda items have been received.

Secretary to again email Bev as to whether SDCBCC actually voted to abstain, or did they simply not vote?

This is very important, because if they did not vote, their vote was a YES vote, and changes the outcome of the motions.

Also Secretary to point out that there was no AGM at all last year!

**Hereditary Diseases Committee Report:** Nil.

**Publicity:** Nil.

**General Business:**

Club to send a card to Chris Cavanagh.

All meetings until end of year are to be in secretary's hut – put notice in Bordertales.

Request expressions of interest and ideas for our contribution to Dogs on Show – put notice in bordetales.

Meeting Closed at 10.00pm

## **Around the Traps... With Ed**

Welcome to the April edition of Bordertales! Like every month, April has been a busy month on the showing and trialling scenes. Since there is already so much covered elsewhere in this edition, I'll be brief...

Firstly, Tracie Buckley informs me that there is a limited reprint of Peidje Vidler's book ***The Border Collie in Australasia*** available for purchase. This wonderful book is arguably a 'must-have' item for any Border Collie enthusiast (I own two copies!), and is now available for **AUD\$30.00** plus the cost of postage. For further information, please contact Tracie Buckley at [ballyann@eftel.net.au](mailto:ballyann@eftel.net.au).

We have had some interesting stories of our own fellow Club members of late. We have heard that Julie Stockbridge was returning home from visiting other BC friends out of Sydney, and had an altercation with a kangaroo! Luckily she was not hurt in the incident, but unfortunately the car has seen better days! The latest update was that she had eventually made it home safely. We have had another BC exhibitor namely Tracie Buckley, who was injured on the way back to the car-park at the Sydney Royal, rolling her ankle and now needing the aid of crutches to get around. Alas she was unable to handle on General Specials day - but luckily was capably replaced by another BC handler at short notice. We hope to see her back on her feet and in the ring again soon! And on a brighter note, around the traps word had come to me of another BC exhibitor who, after many years of showing, experienced in April her first weekend away camping and all reports say everyone had a great time! However, I'm not sure if her version of 'roughing it' with a laptop, glass of wine and fluffy slippers is exactly what everyone else had in mind...

Now in recent club business, there has been a lot of work being done behind the scenes by a very hard working committee to get the Club's 60<sup>th</sup> Anniversary Show underway. The club would like to make this day a special event, and a time to celebrate our beloved BC's in all their endeavours. So to get the ball rolling, here is the latest 'goss' for the event... Whilst the schedule is still being finalised, there are some details I have been able to 'sniff out' in my travels. Firstly, I am assured that there will be another fabulous trophy table on offer this year (thanks in large part to the efforts of our talented and hard-working trophy steward, Colleen!). There will be an "arty" theme to the table this time, including an original oil painting for BIS donated by a well-know international artist. There will also be commemorative ribbons, a number of special raffle prizes and lucky number draws throughout the day. The club are planning to hold Veterans Sweepstakes as part of the Property classes, and Neuter classes to invite as many Border Collies to participate as possible. In preparation for this big event, a fundraising raffle has been organised and on offer will be a big-ticket item, so keep your eyes and ears open for tickets which will be on sale leading up to the show. We hope everyone gets behind the club and supports this special event – 60 Championship Shows is no small feat. The schedule will be out in the coming months, and in the meantime watch *Bordertales* for further updates as they arise.

I first decided to get a Border Collie about 14 years ago when I was refereeing first grade football in the Newcastle area and got sick of running by myself on those cold winter nights and thought that a Border Collie would be a good companion. Our first BC was a dog called Ben who we got from Barbara Henderson from Scaysbrook kennels. Ben was a happy go lucky dog who was grateful to go for a walk but every time I tried to run he ran in circles around me. This made for a difficult time trying to run so in the end I gave up and Ben stayed home in front of the fire while I went out alone

again into the cold winter nights. I tried again and we got a second BC "Shiva", she was a pleasure to be with but when she went out on the lead for a run she would bark and criss-cross in front of me. Shiva stayed home in front of the fire with Ben and I was out in the cold again by myself.

In the real world I am a Senior IT Project Manager for TAFE NSW so I enjoy the distractions of being around dogs and non-IT people on the weekends. I am fortunate that my boss showed dogs many years ago so he understands the need to go away for a show weekend or to be at home to look after a litter.

Shiva went on to become the foundation of Benshiva Border Collies and we have been showing now for almost 13 years. I enjoy agility and obedience and have accumulated a number of titles in these fields over the years, although I think it is more through the dogs forgiving of my poor handling.

I laugh about things that have had to be replaced and changed because of Border Collies, first to go was the two door sporty car to be replaced by a "Dog-Friendly" wagon. Then the house had to go because we needed more space, then Mel had to leave work to look after the dogs. I would not change any of it because through Border Collies I have met some tremendous friends.

## **Have You Some Spare Time?**

Currently, Judy De Jong is the Border Collie Club of NSW's representative on the National Border Collie Council and is doing a marvellous job. Judy had also put 'up her hand' to assist on the National Hereditary Diseases Sub Committee and also fills the role of Assistant Secretary, and we are most thankful to Judy's commitment to the Club and our breed.

At our last Committee Meeting, Judy has indicated that it might be time to see if someone else would be interested in representing the New South Wales club on the National Border Collie Council.

The Committee is calling for any 'expressions of interest', so if you think that you have the time to manage the communication to and from the NBCC, handling the requests for information and keeping everything on track to meet the timelines, we would be very interested to hear from you.

Please contact Lauren Somers if you are willing to help the NSW club in this role.
