## **President's Report**

Welcome to the latest issue of Bordertales - 2010 is disappearing fast! This month saw the club host it's 60th Anniversary show and trial and I would like to offer my thanks to the committee for putting on a great event and to our very kind sponsors, in particular Gail Ingersoll, Margaret Morgan and Lorraine Warren whose very generous donations ensured that the trophy table was something extra special for our anniversary show. Although as winner of our fantastic raffle prize - a show trolley - Margaret did receive some compensation!! Thanks also to our judges who travelled from near and far and to our exhibitors who supported the club with a great entry across all disciplines - well done to all!

We cut the anniversary cake at morning tea and it was great to see lots of people come up and join in the celebrations. Congratulations and thanks must also go to Courtney Smith for organising the photo competition with the final judging being completed and announced at the end of the show - all funds raised went to Border Collie Rescue and if entries in the competition were any indication it was certainly a very well received fund raising idea! Congratulations to all the winners! It was also great to see lots of helpers on the ground early in the day to assist with ring preparation - you don't know just how much your help is appreciated.

Some of you may recall in the past the club collating and publishing hip score results submitted by members. We are in the process of updating this information and would be very pleased to receive details from members of any hip/elbow scores obtained for your dogs. Our current information will be updated and hopefully published on the club's website as a reference tool for members. If you require any further information, please contact Alice Baxter or Lauren Somers and we will be happy to assist. Copies of results can be emailed, faxed or mailed to the club for inclusion in this data base.

Sales of the new club polo shirts continue to do well - details can be obtained from the website - well done to all concerned - the shirts look great!

Good luck wishes to our members completing their judges training practical examinations early next month - I am sure that you will all do well!

Until next month.....

Cheers

## Message from the Editor...

I am still looking for bookings for the front cover of Bordertales, from December's issue onwards.

Please note that as well as receiving Bordertales this month, there is also a nomination form for the selection of judges for the 2012 Championship Show and Trials. When considering your nominations, if you know of someone that has not judged in Sydney or NSW for at least the last couple of years, it would be great to see some new faces, in both the conformation ring as well as the performance rings.

If you are interested in Herding, there is a great booklet available, ANKC Herding Manual for Beginners for sale for \$10 that includes postage. To get the booklet, please contact Sue Fedoryschyn via email ([suefed7@optusnet.com.au](mailto:suefed7@optusnet.com.au)).

Just want to give all advance notice of the 3<sup>rd</sup> Border Collie National to be held in Tasmania. The dates are still to be confirmed, but it will be held sometime in May 2012.

## CONFERENCE OF NATIONAL BREED COUNCILS

Agenda Items for the next conference of National Breed Councils are now being called for. All items need to reach the Secretary by 20<sup>th</sup> November 2010, and please include the rationale as to why the item should be adopted.

All agenda items will be published in the November Bordertales and will be voted on at the December General Meeting to be held on the 7<sup>th</sup> December.

Members wishing to have their input on any items that have been submitted will need to attend the December General Meeting.

## BCCNSW 60<sup>th</sup> Anniversary Championship Show & Trial

What a great show!! The committee was exhausted by the end of the day, but what a lovely day for our 60<sup>th</sup> Show. Our Breed judge was talking after the show and she had a wonderful day, she said that this was her idea of "heaven" to see so many beautiful BC's in the one place, such wonderful quality dogs and so beautifully presented.

Once again the committee worked tirelessly to present a well-run show and trial, and we hope that the exhibitors all enjoyed themselves. Extra special thanks needs to go to our hard working and ever active show secretary Lynne Cook, for the hours

put in over the past months before the show and the hundreds of phone calls later. Lynne was also the driving force behind the raffle and was responsible for getting the show, so well sponsored. One of the main sponsors was 'Naturally Wagging', a small business that has added the Border Club to their sponsorship list this year, thank you Kim.

Again the Trophy table was a 'sight to behold' and I believe that the winners were all very happy with their prizes. To make this show even more special, we celebrated with the cutting of a cake by one of our Reps and all rings broke for morning tea and enjoyed a piece of cake. One of our members, Deb Richardson (or should we say her kind husband) also contributed one of the finishing touches to this special show, in that the club now has a dais for those winning photographs.

Our Best In Show winner (top left) was Grd Ch Glentress Anastacia owned by D & K Adams and handled by Katrina from Victoria.

Katrina had a great day with also taking Dog Challenge and Runner Up to Best In Show with Ch Glentress Dare To Dream (top right). Hopefully we will see more of our interstate competitors at future shows as the word spreads of what a great show the New South Wales puts on. We had a couple of long distance phone calls after the show, to congratulate the committee on the success of the show/trial.

A full report will be published in next month's Bordertales, but a marked catalogue and photos of the winners can be found on the Club's website ([www.bccnsw.com](http://www.bccnsw.com)).

Also as part of this great day, the Club holds an Obedience Trial and Agility Trial, including jumping and 'gamblers'. The trials were well supported and as always the competitors had a great time. Congratulations must go to all the winners, but in particular to D. Corben and Ob Ch Kellyvix Jolly Swagman for being awarded the Obedience 'Winner of Winners', and B & K Hilarie & Porter's Kieschindi Aurora ADX JDM JDO GD SPD for winning the Arthur Crossley Memorial Trophy for the top Agility performance on the day. The competitors all enjoy watching a dog that works well, and then can totally empathise with the handler when the dog 'does their own thing'. Watching our beloved Borders working and trying to please their handlers is truly a 'sight to behold'. While the Obedience end of the ground is fairly orderly, with the conformation ring in the middle, the Agility end was definitely a 'hive of activity' with lots of movement and 'the calling of dogs' as they rush around the course.

On a day like this, it is great that the Border Collie Club is able to show off the Border Collies willingness to work in the different arenas, using both their beauty and brains.

Above: Obedience – Just about to do a 'sit stay'

Left & Below: Agility – 'All feet off the ground'

## **Around the Traps...**

### **With Ed**

Welcome to the October edition of the *Bordertales*. This month caps off a busy time for specialties in our state, including none other than the BCCNSW 60<sup>th</sup> Anniversary show and trial! What a fabulous Border Collie celebration this day proved to be, supported by a great entry across all disciplines. The club celebrated many milestones at this show, including holding the 60<sup>th</sup> fabulous Border Collie event in our state (no small feat for any breed club!), the first awarding of Neuter Challenges at our specialty, and the inaugural BC photo competition (which we hope will be another activity used to put the 'fun' back in 'fundraising' in years to come). Our show visitors included those of the NSW fancy, obedience and agility competitors from across the state, and even some interstate exhibitors in our conformation show. Thanks to all those who worked hard to put the

show together, who helped out on the day, to our judges, triallers, stewards, reps and exhibitors who made the day a special one. We hope everyone thoroughly enjoyed themselves, and join us for our 61<sup>st</sup> show event next year!!

Another new BC title for this month (gosh we have had a busy year for titles!) and this time congratulations to Sharon Hannigan for gaining the last points to now call her girl, "Thalia" *Ch Codebonnie Somethnwicked*. "Thalia" is owned and handled by Sharon, and was bred by Kerrie & Kevin O'Hallaran and I believe she is the first homebred champion for the Codebonnie Kennel – well done everyone!

Excited news has also arrived from the US this month, with Aussie BCs, their progeny and Aussie BC exhibitors doing us proud at the American Nationals this month. Congratulations firstly to Lauren Somers, Errol Badior, Melissa Dean and Brett Farrell for "Spook" *Int/Aust Ch Nahrof Spirit World* taking home Winner's Dog and Award of Merit at his first show in the US! Other awards included; Best In Show and Best Veteran was awarded to *Am Ch Bayshore's Under My Spell*, Best Opposite Sex and Winners Bitch to *Bayshore Avatar Bluberry Myst*, Reserve Winners Bitch to *Sportingfields Destiny At Borderfame* (from the Puppy Class), Reserve Winners Dog to *Bayshore's Hot Shot From Avatar*, Best Opposite Sex Veteran to *Am Ch Wildair Blazing To Morgan*, and Best Bred by Exhibitor to *Lookout Something's Brewing With Redwood*. I am told that in excess of 180 Borders were exhibited at the American Nationals this year. Congratulations to all the winners!

## **We need your help!**

Border Collies make excellent tracking dogs and many have gone on to be Tracking Champions. The Border Collie Club of NSW holds two tracking trials each year to test the dog & handler's tracking skills. We train tracking dogs to follow a human scent trail through the bush ignoring all animal scents and other humans who have crossed the track. To conduct our training & trials we require access to large tracts of land which may consist of open fields, lightly timbered areas and scrub. Ideally we require about 150 hectares or more but we could make do with less.

Many of our members train with The Tracking & Rescue Dog Club of NSW and for the past four years we have been training on NSW Department of Planning land at Glenfield where we have a Permit to Enter. We now have to vacate this land because the

Glenfield Interchange and railway is being built on the site. Unless we can find suitable land to hold training days & trials, tracking may cease to exist in the Sydney region.

Our dogs are always on lead and our instructors and members are all experienced dog handlers. We have Public Liability Insurance through Dogs NSW and we do not cause any damage to the environment.

We train and conduct tracking trials during the cooler months from about April through to September and would require access for two or three days per week during this period.

In the past, landowners have been very happy to have us use their land as our presence deters vandals and car dumpers. It also presents the owner as one who has community spirit. Over the years we have had the use of Government land such as the Penrith Lakes Corporation, Air Service Australia, Telstra, Air force bases and privately owned acreage at Cranebrook and the Northern Road at Luddenham. When land is developed we have to find alternate locations to continue our training.

If you can help us gain access to land within 1 to 1 ½ hours from Sydney, perhaps in areas such as Camden, Penrith, Blacktown, Windsor, Liverpool or the Northern Road or even further out in the Goulburn or Canberra regions please contact:

**Eric Camp**  
**Phone: 02 9817 3955**  
**Email: [cassieec@optusnet.com.au](mailto:cassieec@optusnet.com.au)**

***If you know of an area that could be used for tracking, the Club does encourage you to contact Eric to assist with this request.***

## **2010 Photo Competition Results**

Thank you to all those very generous members who have submitted photographs for the photo competition. The feedback from this fundraiser has been most encouraging, and we hope to be able to run a similar event in the years to come! We're glad everybody who participated got into the spirit of things. The photo competition, whilst having a slow start, certainly picked up momentum in the final month with entries even arriving from overseas.

Overall, the photo competition has **raised \$244** towards the BC Rescue Fund!!!

All Monthly Finalists were on display at the 60<sup>th</sup> Anniversary Show, and our Dogs NSW Reps, Linda Brandt and Chris Caird, were the judges. On the day, we also asked anyone at the Show/Trial to vote for their 'Most Popular Photograph' and this proved to be quite a competition between the different finalists. The photos were viewed and admired, with many remarks like "I have seen my dog do that", to "isn't that just so typical of a Border Collie". To those entrants that didn't make the finals, there were many great photos and the Club is looking to see if something more can be done to share those photos with the members.

While many members entered more than one photo, the Club needs to recognise one member for his contribution, and that is Ross Vine for his 75 photos, a number of which featured in the finals. A big thank you must go to Ross, for your participation and donation for this great cause.

We hope that both entrants and the Club members enjoyed this event.

Sire: A/Ch Danari Destined To Thrill ~ Dam: A/Ch Nahrof Never Off Key

Nahrof are delighted to announce a new champion! "Bling" finished her title in style with Runner Up Best in Show at Northern Collie & Shetland Sheepdog Club! She is owned and adored by Della Kutzner and family, and we thank Della for providing her with a brilliant home and for allowing us the pleasure of 'borrowing' Bling to show for a few weeks – she was a delight to have around!

"Bling" is the second from this litter to title, following her sister "Pink" Aust Ch Nahrof Get The Party Started and is the third champion for her dam "Scat".

We wish Della and "Bling" continued success in the show ring and also with their agility and obedience training.
