Bred by: David & Julie Wilden

Our Cover

AUST CH FETCHEMIN CALVIN KLEIN

BIS Winner of the Tasmanian Border Collie Club show, September 2nd 2007, although Jack isn't shown a great deal, and to bring him out for this occasion was a great achievement, and under Miss A. Cowin (NSW).

Sire: Multi BIS Ch Moystonhill Midnite Soul

Dam: Fetchemin Top Charm

We would also like to thank David & Julie Wilden for breeding such a beautiful, happy boy. Always likes to please, we also obtained Baby Puppy in Show _ Auldbrig Hellofaplapetob, Bred by R.Tapp and is sired by Aust Ch Monochrome Maestro and Aust Ch Glenloy Witches Brew, and neuter in show, Aust Ch Sanpasho Krystal Danca HIT, bred by W. Richardson.

It was a pleasure to be judged by Alison, and thankyou Alison for such a great day.

President's Report

The good news this month is that we have our Bordertales Editor back on deck.....Tiffany has agreed to continue preparing Bordertales each month and Brett will then arrange for the printing and distribution - a great team effort - thanks very much to you both and welcome back Tiffany!!

The club is gearing up for our next 'event' - the championship show/obedience and performance trial - to be held at Castle Hill on October 13th. As I am sure you all appreciate these things don't just 'happen' - our committee and helpers have been working away behind the scenes in the lead up to the show and many will also have jobs on the day - if you have any spare time and would like to help out in any way - just make yourself available to one of the committee - we will certainly welcome all helpers! Good luck to all who are exhibiting and trialling. We are also holding a herding trial at Erskine Park in October so a busy month!

We will be hosting a DNA collection at the October show on the 13th - buccal swabs will be collected as follows:

CL and TNS - swabs will be sent to Dr Alan Wilton at the University of NSW for testing

CEA - swabs will be sent to GSS in Melbourne for testing

Both organisations have offered the club discounted rates for this collection so please if you need further tests completed on your dogs, bring them along. We will have the necessary forms on hand together with a microchip reader. Please bring along your registration papers and your money of course!! CL - \$49.....TNS - \$79.....CEA - \$126 for puppies and \$184 for adults including a complimentary dna profile.

Until next month.....

Cheers

Lauren Somers

There are several new champions this month. Congratulations to Greg Richens with Ch. Gremaric Cruzin gaining his title at Burnett KC with a R/Up Best in Group/Junior in Group. He is another young champion for his highly successful sire Ch Monochrome Maestro and his dam is Ch. Gremaric Me Myself I.

Whilst in Qld, congratulations also to Kylie Leslie and Teresa Bailey with their new champion, Ch Trucharm Precious Find, "Delta" gaining her title at the Gold Coast Show Society. Delta is sired by Ch Danari Danceswith Wolves and her dam is Trucharm Royal Hearts.

Back in NSW, congratulations to Dana Shelmerdine with her new champion, Ch Totachi Fantasia. "Phoebe" is from Dana's first home bred litter and is sired by Ch Etherial Chase the Ace and out of Ch Chalfont Forget Me Not. Well done.

October is shaping up to be a particularly busy month for border enthusiasts with the club's champ show and trials as well as the Southern Districts BC Club double being held 1 week apart, and not long after our herding trial, so there will be lots of news to report in future.

Goodluck to those heading down to Melbourne Royal next week, I look forward to reporting on the results next month.

TITLES GAINED!

Johnazo Brocks Boy Bill O.Ch UDX ("Bill")

Sire: Riandaglen Houdini Magic
Dam: Gadhar Vlittle Gravitass CDX
Owner's Name: Julie Huber

Kellyvix Waltzingmatilda UD ("Matti")

Sire: Aust. Grand Ch Monochrome
Currency Creek
Dam: O.C. Bokirk Brandysnap
Owner's name: Julie Huber
Breeder: Mrs M.E. Foord

To get just **one** title at a trial is a real buzz and the smile takes some time to leave your face. So just think how I felt when not only did Matti get her UD title, but Bill his UDX title all on the one day at the SAB trial last Sunday. Poor Matti, usually a Utility Dog title is the absolute accolade but she was outdone by Bill getting his third qualification in Utility Dog Excellent.

Those of us who have been trialling in UDX would have to agree that it is both challenging and frustrating; yet at the same time it has given Bill a new lease of life: he truly does revel in it.

I would like to take this opportunity to thank Margaret Foord for all her time and effort spent teaching me how to train my dogs. It was said by many triallers that one would not be able to continue trialling in UD if one trialled in UDX. Not so. Thanks to Margaret, since Bill has been training and trialling in UDX his UD performances have improved and last year he attained his O.CH.

Thanks also to Sue Hardy who has been Billy and Matti's personal chauffeur: picking them up every Tuesday so that I could get to training on time after work. Bill's UDX was truly a "team effort".

POSITIONS STILL AVAILABLE

The following positions are currently available on the club's committee. You do not have to be Sydney based as attendance at meetings is not mandatory and most of the work is "on the day"

- * **SHOW MANAGER**
- * **OBEDIENCE TRIAL MANAGER**
- * **AGILITY TRIAL MANAGER**

All of the above positions play a very important role on our show/trial day and the success of these events is in jeopardy without assistance from club members – PLEASE CONSIDER HELPING OUT

BREEDING GUIDELINES

Following these guidelines will ensure that no puppies that you breed in future will be affected by either CL or CEA. From the dates specified, the BCC of NSW will enforce these as conditions for listing litters on puppy sales.

Individual animals may be DNA tested or they may be declared Clear of either condition by pedigree if both parents are Clear. Copies of DNA results must be provided for the parents or clear ancestors when listing litters on puppy sales.

CL

For litters born from 1st November 2005 both parents must be DNA typed for CL.

Permitted matings will be: CLEAR / CLEAR
CLEAR / CARRIER

The old rules about not mating animals under 2 years and carriers on the pedigree will no longer apply were DNA results are provided. Litters may be listed under either the new rules or the old rules until 1st November 2005.

CEA

For litters born from 1st January 2006 at least one parent must be DNA Clear for CEA. Permitted matings will be:

CLEAR / CLEAR
CLEAR / CARRIER
CLEAR / AFFECTED
CLEAR / UNTESTED
